IT'S EASY: APPLY, QUALIFY AND RECEIVE A **FREE HIGH TUNNEL**

In an effort to support locally grown food and our nation's growers, the National Resources Conservation Service is funding high tunnels for farmers and growers of all experience levels. By using an NRCS-funded high tunnel, growers will be able to support the NRCS's environmental initiatives, improve their quality of produce and increase profitability. It isn't difficult to qualify, and you can receive thousands of dollars to purchase a high tunnel.

Applying is easy

In order to apply, you just have to own land that is used for agriculture or forest production or work in a related field on eligible land. If you have any questions, please give us a call; our Greenhouse Specialists are here to help.

Helps conservation by:

- Limiting pesticide use.
- Supporting healthy, farmable soil.
- Saving energy.

Helps growers by:

- Extending growing seasons
- Limiting pest- and weather-induced damage
- Improving quality, yield and profitability

Visit your local NRCS office by checking www.nrcs.usda.gov and send us:

- NRCS form 1202 Conservation Program Contract w/ two electronic NRCS signatures
- NRCS form 1155 Schedule of Operations
- NRCS form 1236 Assignment of Payment

As an NRCS approved vendor, we have worked with many NRCS grant recipients and can guide you through the process of receiving a high tunnel.
